I. FORWARD

Purpose

Graduate Assistants (GAs) are, first and foremost, graduate students pursuing an education. The opportunity to work closely with faculty and undergraduate students in teaching, research, or administrative environments is an integral part of that education. The University is committed to ensuring that graduate assistant assignments are productive, enhance student qualifications, meet funding support and workload goals, and are consistent with the educational objectives of the student and his or her program.

Salisbury University supports graduate students by:

Advancing the student's graduate education through practicum-based experiences, including the development and application of teaching, research and other skills, while also advancing the mission of the institution.

Providing financial support, including stipends and tuition assistance, to aid degree-seeking students enrolled in SU masters programs and appointed as graduate assistants in the pursuit of their graduate degrees.

This handbook is intended to provide information regarding graduate assistantships at Salisbury University and follows guidelines and procedures set forth by the [University System of Maryland Policy on Graduate Assistantships](#).

The Office of Institutional Equity is responsible for the campus-wide administration and implementation of equal opportunity policies and affirmative action programs. IX. GRADUATE ASSISTANT GRIEVANCE POLICY

1. Overview

The grievance policy will apply to disputes concerning:

- a) Workload volume and scheduling;
- b) Inappropriate work assignments;
- c) Termination of a graduate assistantship within the term of appointment; and
- d) Non-renewal of assistantship for arbitrary or capricious reasons including reprisal for filing a grievance.

The decision whether to renew an assistantship, except for the reason listed above, remains within the discretion of the department chair and is not subject to the grievance process. However, if a graduate assistant believes that an assistantship was not renewed because of unlawful discrimination or other unlawful grounds, the graduate assistant may pursue available institution processes.

Graduate assistants may raise concerns regarding suspected on-campus fraud or fiscal irregularities through the confidential University System of Maryland hot-line: 1-877-330-2320.

2. Procedures

The University is an academic and collegial community. Regular and clear communication between GAs and their supervisors is essential to maintaining an effective educational environment. GAs who believe their work experience is not in conformity with the *Graduate Assistant Policy* may seek a review in accordance with this Section.

In all instances, the GA should attempt to resolve these matters locally, collegially, and informally. If the difficulty has not been resolved to the GA's satisfaction through informal means, then he or she may elect to file a formal grievance.

- a) **Informal Consultation:** The Graduate Assistant should first attempt to resolve any difficulty by discussing the situation with his or her supervisor as expeditiously as possible. If a satisfactory resolution is not reached, the GA should next discuss the situation with the Chair of the Department or follow "the chain of command" for the unit in which they are employed.
- b) **Formal Grievance:** Most problems related to assistantships are resolved through informal consultation. If a problem has not been solved informally to the GA's

If a satisfactory resolution has not been achieved following informal consideration, the GA may initiate a formal grievance by sending a letter to the Dean of her or his academic School or Vice President of the unit where he or she is employed, copying the Dean of Graduate Studies and Research. To be considered, it must be received within 30 calendar days from the action involved or from the GA having reasonable knowledge of it. Under exceptional circumstances, that deadline may be extended. The letter must be signed and:

- a) Contain a clear description of the facts giving rise to the grievance; and,
- b) Be copied to the GAs supervisor
- c) Be Copied to the Dean of Graduate Studies and Research
- d) Propose a solution

Upon the receipt of the letter, the unit head (Dean or Vice President) will render a decision, informing the GA, the supervisor and the Dean of Graduate Studies and Research within 10 working days. If the GA finds the solution unacceptable, he or she may appeal to the Dean of Graduate Studies and Research. This appeal must be sent within 10 working days of the unit head decision. The letter must clearly state why the proposed solution is unacceptable.

Upon receipt of a letter of formal grievance, the Dean of Graduate Studies and Research will offer to meet with the GA and the supervisor, either individually or together, before proceeding. The Dean of Graduate Studies and Research may also consult with the unit head and other persons knowledgeable about the policies and practices involved. If no solution (agreeable to all parties) can be reached through these discussions within 10 working days, the Dean of Graduate Studies and Research shall refer the matter to a Graduate Appeals Panel. If a solution is reached, a letter detailing the solution will be sent to all parties.

The Dean of Graduate Studies and Research shall appoint a Graduate Appeals Panel consisting of two graduate faculty (one of whom shall chair the panel) one graduate student, and as appropriate, an HR representative to review the matter and make a recommendation. Neither the faculty nor the graduate student appointed to the Panel will be from the department or unit involved in the grievance. Either party to the grievance may request that a panel member be substituted on the grounds that the panel member has a conflict of interest. Additionally, if the grievance involves the office of Dean of Graduate Studies and Research, the Dean shall remove himself/herself from the proceedings and the Provost shall appoint someone to oversee the process. The Dean of Graduate Studies and Research will provide the panel with the letter of formal grievance and the written response(s). The panel shall offer to meet with the GA and the supervisor.

This Panel shall endeavor to convey a written decision and, where appropriate, the
